

OCEAN COUNTY VOCATIONAL TECHNICAL SCHOOL

TECH TALK

Graduation Edition

JUNE 2011

On behalf of the Ocean County Vocational Technical School Board of Education, I congratulate the students receiving certificates and individual honors.

OCVTS strives to provide each student with a strong foundation of skills and knowledge that will help you in your journey toward a successful and rewarding career. Whether you will go on to college or enter into the workforce, take pride in all you do and face each new challenge with confidence.

I applaud and congratulate those in the class of 2011 who have excelled in their academic programs and are being recognized for their outstanding achievements in their fields of study.

I, along with your teachers and school staff, wish you every success in your future endeavors.

William P. Hoey, Jr.
OCVTS Superintendent

Our Mission: The mission of the Ocean County Vocational Technical School system is to prepare students for job placement or further education leading to successful employment. We develop partnerships with affiliated schools, parents, business, industry and community agencies to create and deliver opportunities for students to participate in quality occupational programs and support services. These programs and services are designed to meet the needs of high school students and adult learners, as well as the requirements of employers, colleges, technical schools and the community. All students will achieve the New Jersey Core Curriculum Content Standards at all grade levels. Our most important products are our quality graduates and our most important service is to provide them with skills for a lifetime. We measure our success by: enrollment in our programs; student attainment of marketable occupational skills; graduates capable and desirous of life-long learning; employer and graduate satisfaction; cost effectiveness of our total system; achievement of our graduates; and organizational and individual recognition and awards received.

It is the policy of the Board of Education of Ocean County Vocational Technical School not to discriminate in its technical programs, vocational opportunities, activities, employment practices or admission policies and practices on the basis of race, color, creed, religion, sex, ancestry, national origin, affectional and sexual orientation, disability or social or economic status. Lack of English language skills will not be a deterrent to admission to any program at the Ocean County Vocational Technical School.

Inquiries regarding affirmative action, discrimination (including Federal Title IX requirements), sexual harassment or equity should be directed to:

Nancy Weber-Loeffert, Title IX/Affirmative Action Officer, 732.240.6414 (ext. 3332)

Thomas McInerney, Federal Section 504 Officer, 732.286.5665 (ext. 3412)

Kevin Dineen, Americans with Disabilities Act (ADA) Officer, 732.473.3100 (ext. 3123)

The Carl D. Perkins Vocational Technical Education Act provides partial funding for this publication.
