SkillsUSA Competition and Demonstrations

OCVTS Brick Center, 350 Chambers Bridge Road, 732.920.0050

SkillsUSA is a national organization which provides quality education experiences for students in leadership, teamwork, citizenship and character development. Students representing all OCVTS centers will participate in ten different career program competitions using the skills of their trades at both the regional and state level. Winners will advance to the state level competitions and awards program in May. Prize drawings, job demonstrations, business and program displays will be presented during this Open House event. The public is encouraged to attend.
