PTSO OBJECTIVE

In 2004, the PTSO of PAA was formed to enhance the educational experience of all the students who attend the academy. The primary objective of the PTSO is to provide the students of PAA with opportunities through the PTSO's members by organizing both school events and activities, fundraisers, and any program that promotes a valuable experience.

WELCOME!

The entire PTSO board would like to take this opportunity to welcome old friends back, and to welcome new friends to our "family" here at PAA.

We believe that we have the best students, parents, teachers, custodians and administrative staff in all of Ocean County.

As we look forward to another exciting year of planning special events that will benefit the academy students, your anticipated support and participation will endeavor us to meet our goal to benefit the students both academically and socially.

REASONS TO JOIN THE PTSO

- * BE INVOLVED - Chaperone at dances, help with fundraising, help with costuming, or sell refreshments, because even an hour of your time here and there makes our PTSO work well.
- * HAVE A VOICE - As a member you can be actively involved in open discussions and participate in planning by offering ideas and suggestions.
- * RECEIVE PTSO MONTHLY E-MAIL NEWSLETTERS - know what is happening at PAA. Karen Homiek, the Academy's principal, will attend our monthly meetings. Keep informed about important school news, and have an opportunity to ask questions and get answers or make suggestions.
- * NETWORKING - join our meetings and begin networking with other parents. You may get new ideas about your child's chosen path. Our meetings are very informal and informative. Our PTSO board is friendly and involved. We believe that EVERYONE IS WELCOME!
