Cosmetology Entrance Test for 2020-2021 School Year Enrollment

Due to current health and safety guidelines related to the Coronavirus, there will not be a second cosmetology test scheduled this year.

The entrance test for Cosmetology will not be a part of this year’s entrance criteria for any of our applicants.

All Cosmetology applications will be reviewed utilizing the required application information provided by each high school counselor.

**High School Applicants** should contact their high school counselor with any questions.

**Adult students** will continue to work with our Adult School Admissions Department regarding their applications.
