The Board’s affirmative action program shall recognize and value the diversity of persons and groups within society and promote the acceptance of persons of diverse backgrounds regardless of race, creed, color, national origin, ancestry, age, marital status, affectional or sexual orientation, gender, gender identity or expression, religion, disability, or socioeconomic status. The affirmative action program will also promote equal educational opportunity and foster a learning environment that is free from all forms of prejudice, discrimination, and harassment based upon race, creed, color, national origin, ancestry, age, marital status, affectional or sexual orientation, gender, gender identity or expression, religion, disability, or socioeconomic status in the policies, programs, and practices of the Board of Education.

The Board shall inform the school community it serves of these policies in a manner including, but not limited to, the district's customary methods of information dissemination. The Board shall assess the district's needs for achieving equality and equity in educational programs based on an analysis of student performance data such as: National Assessment of Educational Progress and State assessment results, Pre-Kindergarten through grade twelve promotion/retention data, Pre-Kindergarten through grade twelve completion rates; re-examination and re-evaluation of classification and placement of students in special education programs if there is an over representation within certain groups; staffing practices; student demographic and behavioral data; quality of program data; and stakeholder satisfaction data prior to developing the Comprehensive Equity Plan. The purpose of the needs assessment is to identify and eliminate discriminatory practices and other barriers in achieving equality and equity in educational programs.

The Board shall annually designate a member of its staff as the Affirmative Action Officer and form an Affirmative Action Team, of whom the Affirmative Action Officer is a member, to coordinate and implement the requirements of N.J.A.C. 6A:7 – Managing For Equality And Equity in Education. The Board shall assure that all stakeholders know who the Affirmative Action Officer is and how to access him or her.
The Affirmative Action Officer shall have a New Jersey standard certification with an administrative, instructional, or educational services endorsement, pursuant to N.J.A.C. 6A:9B et seq. The Affirmative Action Officer shall: coordinate the required professional development training for certificated and non-certificated staff pursuant to N.J.A.C. 6A:7-1.6; notify all students and employees of district grievance procedures for handling discrimination complaints; and ensure the district grievance procedures, which include investigative responsibilities and reporting information, are followed.

The Affirmative Action Team shall: develop the Comprehensive Equity Plan pursuant to N.J.A.C. 6A:7-1.4(c); oversee the implementation of the district’s Comprehensive Equity Plan pursuant to N.J.A.C. 6A:7-1.4(c); collaborate with the Affirmative Action Officer on coordination of the required professional development training for certificated and non-certificated staff pursuant to N.J.A.C. 6A:7-1.6; monitor the implementation of the Comprehensive Equity Plan; and conduct the annual district internal monitoring to ensure continuing compliance with State and Federal statutes governing educational equality and equity, pursuant to N.J.A.C. 6A:7-1.4(d).

The Board shall provide professional development training to all certificated and non-certificated school staff members on a continuing basis to identify and resolve problems associated with the student achievement gap and other inequities arising from prejudice on the basis of race, creed, color, national origin, ancestry, age, marital status, affectional or sexual orientation, gender, gender identity or expression, religion, disability, or socioeconomic status. All new certificated and non-certificated staff members shall be provided with professional development training on educational equality and equity issues within the first year of employment. Parents and other community members shall be invited to participate in the professional development training.

The Commissioner or his/her designee shall provide technical assistance to local school districts for the development of policy guidelines, procedures, and in-service training for Affirmative Action Officers so as to aid in the elimination of prejudice on the basis of race, creed, color, national origin, ancestry, age, marital status, affectional or sexual orientation, gender, gender identity or expression, religion, disability, or socioeconomic status.

N.J.A.C. 6A:7-1.7

Adopted: October 2005

Revised: 16 June 2011

16 June 2016
The Board of Education believes a safe and civil environment in school is necessary for children to learn. A pupil who is a victim of dating violence, domestic abuse or stalking suffers academically and the pupil’s safety at school is jeopardized. Acts or incidents of dating violence at school whether they are verbal, sexual, physical, or emotional will not be tolerated and will be dealt with in accordance with the Violence Against Woman Act and the school’s pupil code of conduct.

All school staff members (administrative staff, instructional staff, support staff, and volunteers) shall take all reasonable measures to prevent acts or incidents of dating violence at school involving a pupil. All acts or incidents of dating violence at school shall be reported to the Principal or designee in accordance with the provisions outlined in Regulation 5519. A verbal report shall be made to the Principal or designee as soon as possible, but no later than the end of the pupil’s school day when the staff member witnesses or learns of an act or incident of dating violence at school. A written report regarding the act or incident shall be submitted to the Principal or designee by the reporting staff member no later than one day after the act or incident occurred.

School staff members are required to report all acts or incidents of dating violence at school they witness or upon receiving reliable information concerning acts or incidents of dating violence at school. Acts or incidents may include, but are not limited to: those characterized by physical, emotional, verbal, or sexual abuse; digital or electronic acts or incidents of dating violence; and/or patterns of behavior which are threatening or controlling.

The Board of Education, upon the recommendation of the Superintendent of Schools, shall adopt the guidelines and procedures outlined in Regulation 5519 for responding to acts or incidents of dating violence at school. The protocols outlined in Regulation 5519 have been established for any school staff member who witnesses or learns of an act or incident of dating violence at school and for school administrators to work with the victim and the aggressor of an act or incident of dating violence.

Dating violence statements and investigations shall be kept in files separate from pupil academic and discipline records to prevent the inadvertent disclosure of confidential information. Every act or incident of dating violence at school that is reported shall be documented in an appropriate manner. This should include statements, planning actions, and disciplinary measures as well as counseling and other support resources that are offered and prescribed to the victim or aggressor. If warranted or requested by the victim, local authorities or law enforcement will be properly notified.
School administrators shall implement discipline and remedial procedures to address acts or incidents of dating violence at school consistent with the school’s pupil code of conduct. The policies and procedures specific to acts or incidents of dating violence at school shall be used to address the act or incident as well as serve as remediation, intervention, education, and prevention for all individuals involved. The responses shall be tiered with consideration given to the seriousness and the number of previous occurrences of acts or incidents in which both the victim and alleged aggressor have been involved.

Consequences may include, but are not limited to: admonishment, temporary removal from the classroom, classroom or administrative detention, in-school suspension, out-of-school suspension, reports to law enforcement, and/or expulsion. Retaliation towards the victim of any act or incident of dating violence shall be considered when administering consequences to the alleged aggressor based on the severity of the act or incident.

Remediation/intervention may include, but is not limited to: parent conferences, pupil counseling (all pupils involved in the act or incident), peer support groups, corrective instruction or other relevant learning or service experiences, supportive pupil interventions (Intervention and Referral Services - I&RS), behavioral management plans, and/or alternative placements. The district will work on an individualized basis to assist a student’s needs and partner with community non-profit associations assigned to assist battered women or children.

A pattern of behaviors may be an important sign a pupil is involved in an unhealthy or abusive dating relationship. The warning signs listed in Regulation 5519 shall educate the school community on the characteristics that a pupil in an unhealthy or abusive relationship may exhibit. Many of these warning signs make a connection to one pupil in the relationship asserting control and power over the other. Recognizing one or more signs of teen dating violence plays an important role in preventing, educating, and intervening in acts or incidents of dating violence.

The Board of Education shall make available to pupils and their families information on safe, appropriate school, family, peer, and community resources available to address dating violence.

The Board of Education shall incorporate age-appropriate dating violence education in grades seven through twelve through the health education curriculum in alignment with the New Jersey Core Curriculum Content Standards for Comprehensive Health and Physical Education. The educational program shall include, but is not limited to, a
definition of dating violence, recognizing the warning signs of dating violence, and the characteristics of healthy relationships.

Upon written request to the school Principal, a parent/legal guardian of a pupil less than eighteen years of age shall be permitted, within a reasonable period of time after the request is made, to examine the dating violence education instruction materials developed by the school district.

Notice of Policy and Regulation 5519 shall appear in all district publications that set forth the comprehensive rules, procedures, and standards of conduct for pupils within the district and in any handbook.

[See POLICY ALERT No. 226]

[MANDATED FOR SCHOOL DISTRICTS WITH A MIDDLE SCHOOL AND/OR HIGH SCHOOL AND OPTIONAL FOR SCHOOL DISTRICTS WITH ONLY AN ELEMENTARY SCHOOL(S)]

A safe and civil environment in school is necessary for students to learn and achieve high academic standards. Hazing is conduct that disrupts both a student’s ability to learn and a school’s ability to educate its students in a safe and disciplined environment. The Board of Education prohibits acts of hazing and adopts this Policy against hazing in accordance with N.J.S.A. 18A:37-32.2. The provisions of this Policy apply high schools in the district.

“Hazing” in a school setting includes, but is not limited to, conduct by an individual(s) who is a member and/or representative of a school-sponsored student organization, club, or athletic team where such individual(s) conditions a student’s acceptance as a member into such group on whether the student engages in activities that are humiliating, demeaning, intimidating, and exhausting to the student.

N.J.S.A. 2C:40-3.a. indicates hazing may also include, but is not limited to, the conduct outlined below:

1. An individual(s) causes, coerces, or otherwise induces a student to commit an act that violates Federal or State criminal law;

2. An individual(s) causes, coerces, or otherwise induces a student to consume any food, liquid, alcoholic liquid, drug or other substance which subjects the student to a risk of emotional or physical harm or is otherwise deleterious to the student’s health;

3. An individual(s) subjects a student to abuse, mistreatment, harassment, or degradation of a physical nature, including, but not limited to, whipping, beating, branding, excessive calisthenics, or exposure to the elements;

4. An individual(s) subjects a student to abuse, mistreatment, harassment, or degradation of a mental or emotional nature, including, but not limited to, activity adversely affecting the mental or emotional health or dignity of the individual, sleep deprivation, exclusion from social contact, or conduct that could result in extreme embarrassment;
5. An individual(s) subjects a student to abuse, mistreatment, harassment, or degradation of a sexual nature; or

6. An individual(s) subjects a student to any other activity that creates a reasonable likelihood of bodily injury to the student.

Board of Education members, school employees, and contracted service providers are required to report an alleged incident of hazing that may take place or has taken place on or off school grounds to the Principal or designee on the same day when the individual witnessed or received reliable information regarding such an incident. Students, parents, volunteers, or visitors are encouraged to report an alleged incident of hazing that may take place or has taken place on or off school grounds to the Principal or designee on the same day when the individual witnessed or received reliable information regarding any such incident.

Any report of an alleged incident of hazing shall be immediately investigated by the Principal or designee in accordance with procedures used to investigate alleged violations of the Student Discipline/Code of Conduct and Policy and Regulation 5600. A Principal or designee who receives a report of an alleged incident of hazing and fails to initiate or conduct an investigation and fails to minimize or eliminate the hazing may be subject to disciplinary action.

The Principal or designee may identify behavior when investigating an alleged incident of hazing indicating harassment, intimidation, or bullying (HIB) pursuant to N.J.S.A. 18A:37-14 et seq. – the New Jersey Anti-Bullying Bill of Rights Act (ABR). If the Principal or designee identifies behavior indicating HIB, the Principal or designee shall ensure a separate investigation is conducted in accordance with the ABR and Policy 5512.

The Superintendent or designee shall report to local law enforcement any hazing incident that rises to the level of mandatory reporting under the “Uniform Memorandum of Agreement Between Education Officials and Law Enforcement Officials” or any other agreement between local law enforcement and the school district pursuant to N.J.A.C. 6A:16-5.1(b).

Hazing that involves the participation of a coach, teacher, or other adult may constitute child abuse and shall be addressed in accordance with N.J.S.A. 18A:36-25 and Policy and Regulation 8462.

The Board shall enforce any penalty for violation of this Policy in accordance with the student code of conduct and Policy and Regulation 5600, or any other
applicable Board Policy or Regulation. In accordance with N.J.S.A. 18A:37-32.3 appropriate penalties for a violation of this Policy may include, but are not limited to:

1. Withholding of diplomas or transcripts pending compliance with the rules;

2. Rescission of permission for the organization or group whose student member(s) are being penalized under this Policy, to operate on school property or to otherwise operate under the sanction or recognition of the school district; and

3. The imposition of probation, suspension, dismissal, or expulsion of a student member(s).

Any discipline instituted in response to a violation of this Policy may be in addition to discipline for a violation of Policy 5512, Policy and Regulation 5600, and any other applicable Board Policy and Regulation.

The school district shall ensure that students are informed of this Policy, including the rules, penalties, and program of enforcement under this Policy. This Policy shall be posted on the school district’s publicly accessible Internet website.

The Title IX Coordinator shall be responsible for effective implementation of any remedies in accordance with 34 CFR §106.45(b)(7)(iv). The appropriate school
official designated by the Superintendent, after consultation with the Title IX Coordinator, will determine sanctions imposed and remedies provided, if any.

Consistent with the laws of New Jersey a student’s parent must be permitted to exercise the rights granted to their child under this Policy, whether such rights involve requesting supportive measures, filing a formal complaint, or participating in a grievance process.

The Superintendent or designee shall ensure that Title IX Coordinators, investigators, decision-makers, appeal officer, and any person who facilitates an informal resolution process, receive training in accordance with 34 CFR §106.45(b)(1)(iii).

The school district or any employee of the school district shall not intimidate, threaten, coerce, or discriminate against any individual for the purpose of interfering with any right or privilege secured by Title IX or Policy 5751, or because the individual has made a report or complaint, testified, assisted, or participated or refused to participate in any manner in an investigation, proceeding, or hearing under this Policy, in accordance with 34 CFR §106.71(a).

For each school district response to sexual harassment required under 34 CFR §106.44, the school district shall create and maintain for a period of seven years, records in accordance with 34 CFR §106.45(b)(10).

Any time a report is made to the Title IX Coordinator or formal complaint is filed pursuant to this Policy and in accordance with 34 CFR §106, the Title IX Coordinator shall forward the report or complaint to the Principal of the school building attended by the alleged victim for the Principal to follow the requirements of New Jersey’s Anti-Bullying Bill of Rights Act and Policy 5512.

HATE CRIMES AND BIAS-RELATED ACTS (M)

The Board of Education is committed to providing a safe and healthy environment for all children in the school district. Bias crimes and bias-related acts involving students can lead to further violence and retaliation. Bias crimes and bias-related acts, by their nature are confrontational, inflame tensions, and promote social hostility and will not be tolerated by the school district. School district employees will work closely with local law enforcement and the county prosecutor’s office to report or eliminate the commission of bias crimes and bias-related acts.

Definitions

A “bias crime” means any criminal offense where the person or persons committing the offense acted with a purpose to intimidate an individual or group of individuals because of race; color; religion; gender; disability; sexual orientation; gender identity or expression; national origin; or ethnicity.

A “bias-related act” means an act directed at a person, group of persons, private property, or public property that is motivated in whole or in part by racial; gender; disability; religion; sexual orientation; gender identity or expression; national origin; or ethnic prejudice. A bias-related act need not involve conduct that constitutes a criminal offense.

All bias crimes are also bias-related acts, but not all bias-related acts will constitute a bias crime.

Required Actions

School employees shall immediately notify the Principal and the Superintendent or designee when in the course of their employment they develop reason to believe a bias crime or bias-related act has been committed or is about to be committed in accordance with N.J.A.C. 6A:16-6.3(e).

The Superintendent or designee shall promptly notify the local police department and the bias investigation officer for the county prosecutor’s office when a bias crime or bias-related act has been committed or is about to be committed in accordance with N.J.A.C. 6A:16-6.3(e)1.

It is understood a referral to the local police department or county prosecutor’s office pursuant to the Memorandum of Agreement between Education and Law Enforcement Officials is only a transmittal of information that might be pertinent to a law enforcement investigation and is not an accusation or formal charge.

Unless the local police department or the county prosecutor’s office request otherwise, the school district may continue to investigate a suspected bias crime or bias-related act occurring on school grounds and may take such actions as necessary and appropriate to redress and remediate any such acts.

School officials will secure and preserve any such graffiti or other evidence of a suspected bias crime or bias-related act pending the arrival of the local police department or the county prosecutor’s office. The school officials, where feasible, will cover or conceal such evidence until the arrival of the local police department or county prosecutor’s office.
