Dear Families,

OCVTS is committed to ensuring that all of our students have access to a nutritious breakfast to start their school day. We are pleased to announce that breakfast will be available to students as they enter the building and after the first bell.

The school day begins at **7:15 a.m.**, and the first bell rings at **7:25 a.m.**

We are currently in the process of having vending machines installed in each of our three academy buildings. The vending machines will be stocked with breakfast items that meet the nutritional standards established by the **New Jersey Department of Agriculture**.

To qualify as a complete breakfast meal, students must select:

- A grain
- A fruit
- A milk

A staff member will be available to assist students with their selections and answer any questions they may have.

The cost of a complete breakfast meal is **\$3.75**.

We are excited to offer this convenient option to our students and encourage families to take advantage of this opportunity to help ensure that students begin their day ready to learn.

Thank you for your continued support of OCVTS.

Sincerely,
OCVTS
