## BACKGROUND

The Academy of Law & Public Safety (ALPS) is one of the career academies administered by the Ocean County Vocational Technical School District. The shared-time Law & Public Safety program was established in 2001, offering a unique and comprehensive foundation of skills for Ocean County students interested in pursuing a career in public safety. The 2015-16 school year launched the Academy of Law & Public Safety as a full-time rigorous, college-preparatory educational program for high school juniors and seniors, providing a challenging, hands-on learning experience for college-bound and career-oriented students. As of September 2018 ALPS is now a full-time, four-year high school academy.

The academy is located in Waretown, New Jersey. The Ocean County Vocational Technical School District is responsible for recruitment, admissions, and the instructional program. The Academy of Law & Public Safety selects its students from applicants found within the public and private high schools of Ocean County.
